Average Daily Pop FY 2021	6,527		*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.			Average LOS CY 2020: Criminal	48 Days	
Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division.			**Institutional length of stay (LOS) is the number of days between January 1, 2022 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of January 1, 2022.			Average Daily Pop FY 2021	226	
*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.			'The Transitional Treatment Program, a program located at Boston Pre-Release Center which temporarily housed inmates who were granted parole, closed in early February 2020 as the last of the parolees left through attrition and is not scheduled to reopen.			Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division. Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes.		
**Jurisdiction population includes all inmates housed in DOC facilities as well as those under Massachusetts jurisdiction being housed in correctional facilities outside of the MA DOC.						*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.		
						**The population breakdowns at the top of fact card were provided by Bridgewater State Hospital. This may not add up to total facility count provided in the MA DOC's Inmate Management System. There are 27 additional inmates housed within units at Old Colony Correctional Center (BSH Annex Units). They are included in Old Colony's count.		
						***Institutional length of stay (LOS) is the number of days between January 1, 2022 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of January 1, 2022.

Average LOS CY 2021:**	198 Days	
Average LOS CY 2021: Criminal	190 Days	
Average LOS CY 2021: Pre-Trial	417 Days	
Average Daily Pop FY 2021	435	
Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division. Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes. The Department Disciplinary Unit (DDU), located within MCI - Cedar Junction, houses inmates with the most serious discipline issues (73 inmates as of January 1, 2022).		
*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.		
**Institutional length of stay (LOS) is the number of days between January 1, 2022 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of January 1, 2022. On June 1, 2009 MCI-Cedar Junction became the reception center for sentenced inmates where they are housed temporarily prior to classification, affecting the average LOS. LOS is also skewed due to the housing of federal detainees as well as those housed in DDU and Permanent Workforce.

Average LOS CY 2021:**	1,480 Days	
Average Daily Pop CY 2021	619	
Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division. Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes. *Demographics are reported for the total facility count; sentence information for criminally sentenced population only. **Institutional length of stay (LOS) is the number of days between January 1, 2022 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of January 1, 2022.
